Advanced Nurse Practitioner/Care Coordinator Full Time

***Salary dependent upon skills and experience – (Band 7 / 8A)**

We are looking to recruit an experienced ANP to work within our new care home service for Wolverhampton Total Health (WTH) based at East Park Medical Practice.

The ideal candidate will be an Advanced Nurse Practitioner who has experience of working within their professional boundaries and be able to undertake a clinical assessment, diagnosis and treatment of patients. The candidate must be an experienced registered nurse and hold the relevant qualifications to be an independent prescriber.

The successful candidate will be the point of contact for the care homes and will be responsible for creating and updating care plans, arrange onward referrals when required and undertake MDTs alongside our lead GP to ensure all patients receive the best possible care. Knowledge of end of life care and advanced care planning will be advantageous.

The post will also involve sessions working in general practice alongside our GPs, practice nurse and HCA as part of the clinical team.

The ideal candidate would have previous experience of using Emis Web and Docman, although training is available and a full induction will be provided. A full driving license and the ability to travel between the practice and the care homes located throughout Wolverhampton are essential.
